Amy Snow: A Novel

Synopsis

Winner of the UK's Richard & Judy Search for a Bestseller Competition, this pause-resistant debut novel follows an orphan whose late, beloved best friend bequeaths her a treasure hunt that leads her all over Victorian England and finally to the one secret her friend never shared. It is 1831 when eight-year-old Aurelia Vennaway finds a naked baby girl abandoned in the snow on the grounds of her aristocratic family's magnificent mansion. Her parents are horrified that she has brought a bastard foundling into the house, but Aurelia convinces them to keep the baby, whom she names Amy Snow. Amy is brought up as a second-class citizen, despised by the Vennaways, but she and Aurelia are as close as sisters. When Aurelia dies at the age of 23, she leaves Amy 10 pounds, and the Vennaways immediately banish Amy from their home. But Aurelia left her much more. Amy soon receives a packet that contains a rich inheritance and a letter from Aurelia revealing she had kept secrets from Amy, secrets that she wants Amy to know. From the grave she sends Amy on a treasure hunt from one end of England to the other - a treasure hunt that only Amy can follow. Ultimately, a life-changing discovery awaits...if only Amy can unlock the secret. In the end Amy escapes the Vennaways, finds true love, and learns her dearest friend's secret - a secret that she will protect for the rest of her life. An abandoned baby, a treasure hunt, a secret. As Amy sets forth on her quest, listeners will be swept away by this engrossing gem of a novel - the wonderful debut by newcomer Tracy Rees.

Customer Reviews

Great read! It was fun following Amy's path. I think I had it figured out about halfway through but it

never failed to entertain. Smart women in a time that required focus and intelligence.

I must say this book had a lot of twists and turns. I had to put it down for a few weeks because I was so afraid Amy Snow was going to make a huge relationship mistake. I was glad the book was so well researched, that really draws the reader in. I recommend this book, its excellent

I really enjoyed this book. I was sucked in from the first few pages.

Good easy read. Didn't like the ending...but loved the story!

Very unusual. A little drag but still worth the read.

Loved this book. Interesting from start to finish! I have recommended it to friends who have enjoyed it as much as I did. I rooted for Amy as a child. She had a dreadful childhood and as an adult on her quest for answers. She is a very interesting character, I will definitely read more books written by this author!

I could not put this novel down. Loved it! A must read for all. It has a very well developed plot and characters.

Good
