The Reluctant Bachelorette (A Romantic Comedy)

Synopsis

Unknowingly cast as the bachelorette for her townââ ¬â,,¢s charity event, Taycee Emerson wants out. Especially when she discovers her old teenage crush, Luke Carney, is one of the bachelors and it's up to the viewers--not her--to decide which bachelors stay or go.Coerced into participating, Taycee does what any self-preserving girl would do. She launches a subtle attack on Lukeââ ¬â,,¢s good name with the hope of getting him voted off the show. Unfortunately, Luke's an eye-for-an-eye kind of guy, and when he discovers what she's up to, it means revenge.

This is a very clean romance with just a bit of kissing. It felt a little young to me even though the characters are in their mid to late 20's. If not for the Bachelorette aspect, I would think I was reading a high school romance. Overall a sweet story with a happy ending. Loved the movie theater scene towards the end!

Rachael Anderson did a great job not only flushing out the characters in The Reluctant

Bachelorette, she also made you fall in love with them! I greatly enjoyed my reading escaped as I

temporarily lived in the Bachelorette's world. This book is definitely a feel good romantic book, not too heavy and not too light! The perfect combination of love, laughter and a little realistic adventure.

Taycee was the little sister that tagged along with her older brother and his best friend. Four years their junior, she missed her brother, Caleb, but it was his friend, Luke, whose absence she mourned. When neither returned to their small, Colorado hometown after college graduation, Taycee went off to study business, graduated, and studied floral design for a year before going home to open her own flower shop. At twenty-eight, Taycee still misses Luke, but knows Caleb plans to open his law practice as soon as he clears up a difficult case. Luke's unexpected return coincides with her best friend's crazy idea for a fund raiser to save local farms, that puts Taycee right in the middle of her worst nightmare. If you only have a little time for relaxing reading, put this book at the top of your list.

This is an easy read & I liked the general premise, but found the lead character Taycee's obsession with Luke to be a little hokey. He was a childhood friend of her brother & I thought that at some point we'd find out that they had actually dated when she was a teenager & he left town promising to call, but didn't. When it turned out that they never dated I thought, "Really? No guy was good enough for her for the past 10 years yet she never actually dated Luke in the past?" But according to some other reviews, evidently that has happened. I got it as an inexpensive download for my kindle so it was enjoyable but not worth buying in paperback.

So, so good. You can never go wrong with a Rachael Anderson book. This may be my favorite of hers so far. Even though it's a little cheesy, my husband and I love to watch The Bachelor. It's been a tradition of ours since we were first married and we love our Bachelor nights. So, when I heard Rachael's next book had a similar theme I couldn't wait to read it. When I saw on her blog yesterday that the book was finally available I immediately bought it. Even if you're not a fan of the TV show, you'd enjoy this book. I really liked that the story didn't unfold how I thought it would. I liked how Taycee and Luke's story progressed and by the end you are totally rooting for them. Taycee was a really likable lead. You can't help buy feel for her sitation. I thought the idea and version of the Bachelorette that they did was really believable. In fact, I wanted to go onto their website and watch some of Taycee's dates! I liked that the show was for charity to help out the people of her town.

Taycee has loved Luke for ages, since they were kids. He left for college and never looked back. Even after all their years apart she couldn't get him out of her heart. Luke had moved on, but

realized he was missing something from his life and went back to his childhood home to try and find what he was missing. I loved their first encounter after not seeing each other for ten years. I actually liked all their encounters, they had great chemistry. I thought this was a great story. The characters were well developed and while it's a nice romantic comedy type book, it also had nice depth to it. It's a nice feel good story and one I will definitely read again. Rachael, I know this just came out yesterday, but I can't wait for more. When is your next book coming out??:) Content: Clean

4.5 starsl $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â,, ϕ ve never had much luck with freebies. I think $\tilde{A}f\hat{A}\phi\tilde{A}$ â \tilde{A} â, ϕ ve DNFed every single one of them so far. Until I stumbled upon The Reluctant Bachelorette. I was already intrigued by the premise, because I used to watch The Bachelor. Don $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ $\hat{a},\phi t$ judge me $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ ⠜ you know you did, too. It $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s really bad, just like your average reality show, in the sense that it is clich $\hat{A}f\hat{A}\odot d$ and cheesy, but I kept watching anyway because I was interested in a morbid way and I wanted to know what happened. The Reluctant Bachelorette is the literary equivalent of that, except that it doesn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $-\tilde{A}$ \hat{a} , ϕ t suck, but you still need to know what happens next. It $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s a really cute romance about Taycee Emerson, a girl who owns the local flower shop. She $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s thrown into a blast from the past when Luke Carney decides to move back to Shelter Springs. You know, the Luke Carney she used to have a massive crush on back in high school. The one that was her brother $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s best friend. She receives an even bigger shop when her best friend turns her into Shelter $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â,, ϕ s Bachelorette in an online version of the show. As it $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s an attempt to raise money for their town $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s farms, Taycee reluctantly agrees. However, the bets are all off when Luke becomes one of the bachelors vying for her heart. It definitely made me smile on more than one occasion. When you have over twenty guys fighting over you, there have to be some rotten apples in the lot. We had, for instance, a guy who $\hat{A}f\hat{A}\phi\hat{A}$ â $\neg\hat{A}$ â, ϕ s full of himself, and a guy who could not stop spitting whenever he talked. The idea was that the people could vote for the guys rather than Taycee herself, but she tries everything in her power to get Luke voted off. This causes some tension between the two, which was really enjoyable. We see everything through Taycee $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s eves as she $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s forced to be a part of this show $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â ∞ forced to go on dates with guys she doesn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ t like. Her dates with the spitter were the most entertaining, I think. And then I got to swoon a little as we meet some genuinely charming guys. We also see her attempts to get Luke voted off the show, and her struggles to continue with the show when her feelings from the past start flourishing again. Especially when it seems like Luke $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s

into her too. Surely she can't fall for a guy the audience has already voted off? What would that mean for the show? The dynamic between Taycee and Luke was really something. On the one hand, Taycee is annoyed that Luke left town after high school without saying goodbye. She's annoyed that he never called when he said he would. But she also knows that he's looking really good right now, and that he's finally paying some real attention to her. It's a double feeling, but it's so lovely to see them becoming closer. They're beautiful together. It $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg \tilde{A}$ \hat{a} , ϕ s definitely one of those rainy day reads $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg \tilde{A}$ \hat{a} ϕ \hat{A} \hat
