Customer Reviews

I LOVE THIS COOKBOOK . THERE ARE MANY GREAT IDEAS.

Very helpful & informative

Good recipes! This book would be better if the pictures were in color.

Great book! Love it! Thank you very much. Lots of wonderful recipes. Could use more pictures..

Other than that highly recommend it!

Buy at least 2 copies because you will want to pass it on and keep yours. Easy and some combinations I would not have thought about. I gave up on oology meds because of the nausea and this is very healthy eating.

Great book. Helping a friend in need.

Full of information and recipes!

I have been looking at books like this for a while and am very pleased with the range and choice of recipes.
