Customer Reviews

I'm a big fan of chocolates. It's funny but I can't live without them and since it's a bit burden to just go to chocolate houses to buy something that would satisfy my sweet tooth, I got this book. It has 25 recipes, all chocolate desserts, all simple and with affordable ingredients. It also contains colorful photos that are drool-worthy. I haven't been able to try making its recipes but I'm buying the ingredients now and would love to start making them next weekend!
