Dennis Jones loves to draw. His artwork can be seen in books, magazines, games, toys and Sunday school curriculum. He's illustrated several children's products including the Read with Me Bible and the NIV Super Heroes Bible. Dennis lives in Indiana with his wife Karen and has two grown sons.

I love it because even though the story is simplified for children to understand, it does not lose content and is Biblical sound. Also, I've been looking for books that would engage my children's

attention, and they absolutely love the pictures, colors and all the details in every page. I am very happy with this collection, and I wish there were more books, specially on the OT prophets.

Great Book. My son loves all of this series.

We purchased this series for our church library, and just love the illustrations, and language level for our children.

Hoping it would be better. I felt the story was not smooth enough for kids. Would not buy it , now that I own it. But its not too bad.

The book is good to help children learn about the biblical events while increasing their reading skills.

Love. Love . Love Dennis' artwork

Great item!

The kids are reading this book vivaciously. They are now fighting over who gets to read it. So, we're hooked. We are now getting the whole series.
