DK Eyewitness Travel Guide Greece, Athens & The Mainland

Synopsis

Your in-depth guide to the very best of Greece, Athens, and the Mainland. Make the most of your trip to this beautiful region with our DK Eyewitness Travel Guide. Packed with insider tips to make your trip a success, you'll find a guide to Greece's stunning historic architecture and its scenic drives that let you experience the best hotels, bars, and shops that the city and coast have to offer. Try local delicacies at fantastic restaurants, bars, and clubs, and enjoy the great views in spots that will take your breath away. We have the best hotels for every budget, plus fun activities for the solitary traveler or for families and children visiting Greece. Discover DK Eyewitness Travel Guide: Greece, Athens & the Mainland:

- Detailed itineraries and "don't-miss" destination highlights at a glance.
- Illustrated cutaway 3-D drawings of important sights.
- Floor plans and guided visitor information for major museums.
- Free, color pull-out map (print edition) marked with sights from the guide, a selected sight and street index, public transit information, practical information on getting around, and a chart for measuring walking distances.
- Guided walking tours, local drink and dining specialties to try, things to do, and places to eat, drink, and shop by area.
- Area maps marked with sights.
- Detailed city maps include street finder indexes for easy navigation.
- Insights into history and culture to help you understand the stories behind the sights.
- Hotel and restaurant listings highlight DK Choice special recommendations. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: Greece, Athens & the Mainland truly shows you this destination as no one else can.

Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." [Chicago Tribune](#)"The best option | Color photos, maps, and diagrams bring the place to life." [The Philadelphia Inquirer](#)

Let's face it, there are not many things to do in downtown Athens aside from the usual "must see" stuff (like Parthenon, Agora, some great museums, etc.). The city is huge, overcrowded, and has become somewhat dirty. Outside of Athens, there are so many other ruins and beautiful places to see (like Nafplio). The book is pretty decent with information outside of Athens. However, in my opinion, this book spends WAY too much space on Athens itself. If you spend more than a few days in Athens, I feel that you are really missing a LOT of what Greece has to offer. The fold out map is great for Athens itself, but other maps within the pages are not detailed enough for traveling the rest of the mainland. Pictures in Eyewitness Travel are wonderful... as usual. You may want to pair this book with other travel guides if you want to get outside the big city.

I purchase this book in preparation for my 2 weeks trip in Greece and unlike most tourists who head to the islands I travelled extensively in the Peloponnesian region as far south as Mani and also went north to Meteora. I found it to be very comprehensive with a lot of pictures that helped you plan. It also was a good reference when I actually got to Greece. Also this was not the only guide book that I used in Greece, I also purchased the Lonely Planet book and the other maps for me to drive extensively in Greece. I would say that this was the most pictorial book to relate to places and points of interest.

Love the DK series; I have three now for the different places I've been lucky enough to travel. The amount of information crammed into these books, from history, architecture, culture, maps, things to do, etc. is incredible. Anywhere I'm going around the world I want to have one of these books for the area to guide me around.

A+++

The colorful photos and diagrams found in the DK travel books are a big plus for some and a major detraction for others. Personally I think this is a great book to use while making preliminary travel plans because it's very difficult to decide where to go if you can't see pictures of it first. Then once you narrow down your choices you'll want a more comprehensive travel guide, such as the Lonely Planet guides, which contain better maps, travel information, hotels, etc, but which have very few photos. I'm holding off on giving this book 5 stars because it lacks that kind of detail. However, I still pull it off my shelf frequently when I want to look up someplace on the Greek mainland I have not visited before.

We just returned home from our trip to Athens, and I was very pleased with this book. The set up of the book was easy to follow and the information was very current and generally comprehensive. You do seem to sacrifice some detail for more pictures. That being said, the book is very easy to read and I enjoyed the images. This is not the book to get if you want a read long history of every site, but there is good general information. The maps within the book, and the city map included in the back were a huge help. We were able to navigate the city with ease.

Great in depth guide to wherever you travel

Love DK, have used for travel for years. Would not travel without it!!
