Customer Reviews

Great book. Great recipes. Glad I added it to my collection. :)

Great read but recipes are 1/2 cups instead of ounces or grams. I'd prefer precise, without oz or gram I'm going to mess up.

Lots of recipes I can't wait to try! Easy to read and follow!

I really enjoy having this on my kindle. I make homemade soaps and such at home for a living and

this gave me even more ideas on what to make. Easy to follow recipes that you will surely enjoy. It is very well written and I must say that I really love making the Bath Melts.

This was a very fun read! I found the recipes to be inventive and inspirational. The facts on the different ingredients were very informative.

Haven't made these yet but the directions are simple and these are going to be easier to make than whipped body butter

love using this for gifts and they are great recipes

great book
