Asthma

Synopsis

Considered by many to be THE text on asthma, this eagerly awaited revision is a comprehensive update of the previous edition retaining the popular readable style and manageable format of its predecessors. The contents have been expanded to reflect recent advances in the field, with important new chapters on the genetics of asthma, education for both the patient and health professional, and the relationship between asthma and allergy.

Customer Reviews

The fourth edition of Asthma will continue to offer concise, sound, practical guidance on all aspects of asthma management and will remain an invaluable resource for general and trainee physicians as well as the specialist chest clinician. *Journal of Investigational Allergology*

T. J. H. Clark, Professor of Pulmonary Medicine, Imperial College, London. S. Godfrey, Professor of Paediatrics and Director of Institute of Pulmonology, Hadassah University Hospital, Israel. T. H. Lee, National Asthma Campaign Professor, Department of Allergy and Respiratory Medicine and Allergy, GKT School of Medicine, King's College London.
