Panic (The Flaw Series Book 2)

Synopsis

NEW ADULT CONTEMPORARY ROMANCEThere are always two stories. Robin fell in love with Kent, the boy next door, a long time ago. Once their romance is rekindled, getting married and starting a family seems like the obvious next step. But fate throws a wrench in that plan. Now Robin is tempted to walk away from their relationship rather than settle for anything less than perfect with the man she loves. Bailey is certainly not the boy next door, yet Shayna fell for his well-played act. But real love only exists in the movies. When a chance encounter binds them together, Shayna finds herself relying on Bailey more than she could ever have expected. And while their resources are slim and their circumstances are far from perfect, she and Bailey slowly discover that they do have something special to give \tilde{A} $\hat{\phi}$ \hat{a} $\hat{\phi}$. When things don \tilde{A} $\hat{\phi}$ $\hat{\phi}$ $\hat{\phi}$ and $\hat{\phi}$ $\hat{\phi}$ and $\hat{\phi}$ $\hat{\phi}$ $\hat{\phi}$ and $\hat{\phi}$ $\hat{\phi}$ $\hat{\phi}$ $\hat{\phi}$ $\hat{\phi}$ hard not to PANIC. MATURE CONTENT Strong Language/Sexual situations

Customer Reviews

Writers, we $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ¢re not strangers to putting our hearts into what we write. It happens all the time, in a multitude of different ways so that in the end, we can create a world that for a few hours, days, weeks or years people around the world can get lost in. What some don $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ t realize is, there are times when it $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s more than just our hearts going down onto the page. It $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s our souls, the very essence inside of us that we don $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ t let the world see going down as well. Putting who we are, what we are, putting ourselves on the line all the way, it $\hat{A}f\hat{A}\phi\hat{A}$ â $\neg\hat{A}$ â, ϕ s not just a line. It $\hat{A}f\hat{A}\phi\hat{A}$ â $\neg\hat{A}$ â, ϕ s a fact. I took away multiple things from Panic, but what I said above is first and foremost. The writers heart, her very soul are etched within the pages so deeply that even a blind man can see them. $I\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â,, ϕ m no stranger to hot button issues, things that often don $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ t get written about because of the backlash or controversy they may cause, so going into this book, not even knowing fully what it was going to be about, I prepared myself to react, and react I did.I $don \hat{A} f \hat{A} \phi \hat{A} \hat{a} - \hat{A} \hat{a}_{,,} \phi t$ want to give anything away here because doing so ruins the book for me and in that manner of thinking it would ruin it for others, but I will say this. The issues tackled in this book are very real. They are not fake or imagined. They are experiences that women all over the world deal with daily. Struggles they face, decisions they must make and the emotions displayed by both female characters in this book, as well as their male counterparts, are even more real than the experiences themselves. You will feel with this book, you will gain a level of understanding with this book whether you $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ ve walked this road or not and by the end of it, you will be moved. It is my hope that you are moved as much as I was (I cried ugly tears but in a good way). I want any person taking the chance on this book to go into it with an open mind and watch as these characters change you $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ \hat{A} |.for the better.Ryan Ringbloom has written a poignant, life altering story that does what any great book in the history of reading does. She $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s written a story that makes you feel first and ask questions later. This was a beautiful, gripping read and I really hope that this review has in some way done it justice. After reading this, not only do I look at my writing in a different way, but $I\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ m also looking at life in a different way too. Thank you for telling this story Ryan. It $\hat{A}f\hat{A}\phi\hat{A}$ â $\neg\hat{A}$ â, ϕ s a story the world needs to both see and hear.100 Heart Wrenching stars for this masterpiece. This is a highly recommended read

Although I am an avid reader and huge fan of romance books, having read countless books and 'flavors' of the genre from a wide variety of authors, it's not often that I can say a book has left me impressed in the way that "Panic" and of course the author, Ryan Ringbloom has. The first thing that really stood out to me about 'Panic' is the pure originality of the plot and characters - in the day and

age where romance writers seem more plentiful than the readers out there, it seems to be increasingly harder to stand out as the line between 'unique' and 'generic' becomes more and more dim. With that being said, I can definitely say that Ryan Ringbloom does a great job of standing out from the mainstream, clone-like masses that seem to have been flooding the market lately, and it's ultimately not hard for me to tell that this book has been crafted not only with literary expertise (and clear competency of writing elements) but also pure passion, which is clearly evident throughout the entirety of the read. Another thing that I like about this book is that it's basically 2 stories in one, although I preferred Robin and Kent, I did find myself becoming very engrossed in Bailey and Shayna's story, and I ultimately think that both stories compliment and coincide with each other very well.

I have been waiting for Robin and Kent's story since I read Wait, and Ryan didn't let me down. She hits on an issue that many people face on one side or the other and gives us a realistic emotional journey to experience. Ringbloom does a beautiful job making us feel the struggles of these four characters in their words. You can't help but sympathize with Robin, Kent, Shayna, and Bailey during his or her chapters and want to scream at them in frustration when it isn't. They say there are two sides to every story. Not in this case. There are four sides to this story, and each one is equally emotional and beautiful.

Ryan is one of the author $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s that I stalk! Literally! I always look forward to reading her books and for that reason, bug her till she tells me when her next book is releasing! Yeah I am that crazy! So, Ryan has been kind this time around too and let me have an ARC copy of her next book (and final in the series). It $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s called PANIC. I am so excited to post this review! A) Because it is the best ending I have come across to the series and, b) Ryan has done a great job on this one as well (and I have come to expect nothing less from her).for complete review, visit:http://acupofcoffeeandafairytale.blogspot.in/2014/07/panic-by-ryan-ringbloom.html

Kind of read the series out of order but it all worked out. I'm so glad that things worked out between Kent and Robin, but I still want to know if Kent ever gave Robin the letter he wrote to her when she moved away. The story between Bailey and Shayna was bittersweet. I hope there is another book that continues their story because I would like to see things work out for the two of them. I'm glad that they were both able to make the sacrifice that they did, knowing that they were unable to do the what was necessary for Michelle.

Kent finds his way back to Robin due to the upcoming wedding of his brother Patrick and Ashley. Things have changed over the years for Robin. She has overcome much and still getting it together. Shayna and Bailey two kids with nothing but each other come into the story and give Kent and Robin the most amazing gift ever. Emotional, heartfelt, and in my opinion the best in the series. I love how Ryan Ringbloom brought all these high school characters together in each book and intertwined them and built off of each character. Truly like the lives of small town living. I highly recommend the Fast and Flawed Series!!!!
