Lurlene McDaniel has written more than 30 inspirational novels. Her books have received acclaim from teachers, parents, young adults, and reviewers.

This is my favorite book hands down and never gets old or any less touching.

This book is AMAZING I would recommend it to anyone and everyone!!! It is a romance book for teens or young adults. I LOVE THIS BOOK SO MUCH!!! I can not wait to read it again. Hope you like it too! :) :)

I read this book in middle school and many times after. This book is the greatest ever. I tell everyone I know to read it. Yes it is sad and makes me cry every single time but it tells so well how life can end any minute so don't take life for granted!!!

One of my favorite Lurlene McDaniel books. I loved reading it. Such a heartwarming and heartbreaking story

Very happy with this item. Just as I expected.

This is the best book I've ever read. This book made me smile frown laugh and cry, the book has its ups and downs. I am only 10 and book is for teens but my friend told me about it and I couldn't resist .

This was the first book I ever read by Lurlene McDaniels and i loved it from the start. I couldn't put it down read straight through no breaks.

This was a book i need to buy for class. So not much to say other than that it was at a great price.
