Messengers Of God: Biblical Portraits And Legends

Synopsis

Elie Wiesel's classic look at Job and seven other Biblical characters as they grapple with their relationship with God and the question of his justice. "Wiesel has never allowed himself to be diverted from the role of witness for the martyred Jews and survivors of the Holocaust, and by extension for all those who through the centuries have asked Job's question: 'What is God doing and where is His justice?' Here in a masterful series of mythic portraits, drawing upon Bible tales and the Midrashim (a body of commentary), Wiesel explores the distant and haunting figures that molded him: Adam, Cain and Abel, Abraham and Isaac, Jacob, Joseph, and Job. With the dramatic invention of a Father Mapple and the exquisite care of a Talmudic scholar, Wiesel interprets the wellsprings of Jewish religious tradition as the many faces of man's greatness facing the inexplicable. In an intimate relationship with God it is possible to complain, to demand. Adam and Eve in sinning "cried out against the injustice of their entrapment; Cain assaulted God rather than his brother; and Abraham's agreement to sacrifice his son placed the burden of guilt on Him who demanded it. As for Job, Wiesel concludes that he abdicated his defiance as did the confessing Communists of Stalin's time to underline the implausibility of his trial, and thus become the accuser. Wiesel's concern with the imponderables of fate seems to move from strength to strength" (Kirkus Reviews).

Book Information

Paperback: 256 pages

Publisher: Simon & Schuster; Reissue edition (March 7, 1985)

Language: English

ISBN-10: 067154134X

Customer Reviews

Text: English, French (translation) --This text refers to an out of print or unavailable edition of this title.

Elie Wiesel is the author of more than forty books, including his unforgettable international bestsellers *Night* and *A Beggar in Jerusalem*, winner of the Prix MÃƒ‰dicis. He has been awarded the Presidential Medal of Freedom, the United States Congressional Gold Medal, and the French Legion of Honor with the rank of Grand Cross. In 1986, he received the Nobel Peace Prize. He is Andrew W. Mellon Professor in the Humanities and University Professor at Boston University.

I had this book. Loaned it out. It never came back. I missed it enough that I ordered a replacement copy. The writings are so powerful that I remembered them and thought about them often during the long time when I did not possess the book. Jewish, Muslim and Christian readers will be challenged (and delighted) to peer beneath the depths with Wiesel's masterful and compelling writing and will never think of Isaac and Abraham, and the other patriarchs as well in the same ways.

Easily one of the best writers on the planet provides humble, yet evocative, superb, yet hopeful stories of the Hebrew Bible's most significantly remembered men. This book will bring the Old Testament alive to you!

Beautiful book that relates biblical stories to modern time

Incredibly deep and relevant to our lives now.

Very provocative and enlightening!

this is a must have in your library....

Thank you, Enjoying the book.

This is one of my favorite books. Adds a new depth to Scripture.
