## Customer Reviews

Gr 8 Up  — Asta is a boy who dreams of becoming the most powerful magic user in his kingdom. After training his mind and body extensively, he discovers that he possesses absolutely no magical ability at all. Rather than giving up, Asta perseveres and acquires a power called "anti-magic," which may turn out to be the most effective ability of all in a world where "magic is everything." This title is the work of a relatively inexperienced author  and it shows. Tabata has clearly taken his inspiration from popular shonen manga, and elements from series such as "Bleach," "Naruto," "Fairy Tail," and "One Piece" will be instantly recognizable to veteran manga readers. The art is solid: the characters are well-defined and expressive, the panels flow well together and are easy to follow, and the depictions of magic are whimsical. Though Tabata relies

heavily on ideas from other series, there is potential here. If the series improves, it could well become the "Naruto" replacement die-hard fans have been longing for. VERDICT Though experienced readers won't find anything new here, this volume is a good introduction to shonen for manga neophytes. — Kelley Gile, Cheshire Public Library, CT

I absolutely love this manga!!! The characters and the artwork are amazing!!! The fight scenes are the best!!! Just looking at everyone's magical abilities is just amazing!!! I already read this volume twice!! This how much I love this series and can't wait for volume 2!!!!

This volume was highly anticipated by me for a long time. I have been reading Black Clover since the very first chapter and it has been an amazing thrill ride of action, adventure, comedy, and storytelling. It can come off as a bit cliché, but the charm, characters, setting, and artwork make it a must read for any shonen fan. The story is interesting and the powerups are cool. The fights are badass and the artwork is beautiful. All in all, I am very happy with the product, VIZ has done an awesome job with polishing the translation.

I really enjoy the series. I believe in supporting the author if it translated in my country. That is why I bought it. It is also an awesome series. I will be buying the next volume.

Love this manga! The main character is great. Appropriate for kids and teens.

I was so hyped up for this. Let me tell you, there was no disappointment. It's a mix of things but it sets itself as unique. I will continue on this road. I see a large collection in my future.

Started reading black clover as a weekly edition in shonen jump. Have read this volume probably 3+ times personally and have loaned it to my circle of friends. All of us would highly recommend.

Loved this book glad I ordered the second one as well! Can't wait to order more!

My new favorite serial Shonen Jump manga. A must read if you like Fairy Tail, Naruto, My Hero Academia, Dragonball, etc.
