Huntress (Life After Book 1)

Synopsis

Death was only the beginning...No one's afterlife is as dispiriting as Audrey's-at least that's what she believes after waking up dead without her memories and being promptly assigned to hunt demons for the rest of eternity.She's convinced God's made a cosmic mistake; after all, she'd rather discuss the color of her nails than break them on angelic weapons. It doesn't help that her trainer, Logan, is as infuriating as he is attractive. And just when Audrey and Logan appear close to developing an amicable relationship, a decision made under duress will push their hearts in a direction neither of them saw coming. Despite her sub-par fighting abilities, an ancient weapon of unparalleled power chooses Audrey as its wielder, attracting the cautious gazes of her fellow hunters and the attention of Satan himself. With Satan's eyes now fixed on Audrey, a battle for the safety of the living looms in the shadows.*** This book was originally published in 2015. Customer Reviews

Huntress is a very engaging read. It's all about self discovery and faith, nothing in the storyline is fed to you, and you feel as though you walk the path together. I definitely recommend this book, even if

it is a deviation from your usual read.

Downloaded the Kindle version late last night bc I couldn't wait for the book to arrive after reading the excerpts. Read the entire book today. Excellent characterization and good dialog with fast paced action. But most of all fun and heart touching as we meet and follow Audrey in her struggle to comprehend all that is happening to her. I read a lot of young adult fiction with my teenagers. I've bought 5 more Huntress to give to my high school senior and her friends and my niece bc I know they are going to love it too!

Julie Hall has amazed with her novel about life after death for a teen girl. Audrey, the saucy protagonist, is thrust into another dimension. We experience her confusion, mysteries, adventure and romance along with her. Julie keeps the reader surprised at every turn through creative writing and artistic license. She weaves biblical truth in throughout Audrey's discoveries. I look forward to the next release of this remarkable book!

Forget the television programs and movies about heaven and follow Audrey into a different afterlife. You will be drawn to journey with her as she attempts to get her bearings in a world that's disorienting and frustrating, yet mysterious and wonderful. Come with an open mind as the author entertains you, activating your imagination and questions about your place in the grander design of the universe.

I loved reading this book from start to finish! It's easy to follow Audrey's feelings of wonderment, frustration, and accomplishment as she comes to grips with her new (after)life, making this fantastic world come to life for the reader. There's something for everyone in this book with great fight scenes, witty dialogue, and a love story that is equally satisfying and confounding, leaving readers on the edge and waiting for the next book!

This book is AMAZING! I read it in one day, could not put it down! The heroine is strong and what I love the most doesn't get all woe is me. She's accepted she's died and does her best to move on. I got so wrapped up in the story and cannot wait for warfare!

I loved reading Huntress by Julie Hall. Its an entertaining read for any young adult or an adult who wants a fun, lighthearted read. I appreciate a book that has a little romance, action and great

character development. The story line moves nicely with a good mix of mystery relating to Audrey's forgotten history, spiritual conflict and growing relationships with the others in the afterlife. Can't wait until Book 2 to see how the story continues to unfold.

Wow. What a great book. I can't wait for the next one. So many surprises in the story.
