Insight Guides: Explore Copenhagen (Insight Explore Guides)

Synopsis

With stunning architecture, beautiful parks and gardens and fairy-tale palaces, Copenhagen has no shortage of interesting sights, plus a thriving restaurant and nightlife scene. Explore Copenhagen is part of a brand-new series and is the ideal pocket companion when discovering this exciting city: a full-color guide containing 14 easy-to-follow routes through the city – as many interesting neighborhoods, from the Royal District to Christianshavn, with excursions to Roskilde and Helsingør. Insight's trademark cultural coverage perfectly sets the routes in context, with introductions to Copenhagen's cuisine, shops and its many music and cultural venues. The best places to eat and drink are highlighted in each route and in the directory section, which also contains a wealth of useful practical information, including a range of carefully selected hotels to suit all budgets. All routes are plotted on the useful pull-out map, and evocative photography reveals Copenhagen's unique character.

Copenhagen is one of Europe's oldest and most popular cities and the capital of the world's happiest country (source: World Happiness Report, 2013)! The brand-new Explore Copenhagen reveals the best of this beautiful city through 14 exciting routes.

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

Nice size with pull out map.

Writers have done a great job. Good explanation and easy to carry. Only improvement should be done on maps that are not up to date.

I bought four Copenhagen guidebooks for my trip. This is the one I used constantly. If you're someone who likes seeing a city by walking it, this is the one. I also went to quite a few of the recommended restaurants and was not disappointed. I'm planning my next trip around the availability of Explore Insight Guides.
