# **Paradise Kiss, Part 3**

### Synopsis

Yukari is a spirited high school senior in the process of studying for her college entrance exams. Sadly the prospect of subjecting herself to a meaningless dull life leaves her feeling depressed about the future. In a bout of frustration and losing motivation, Yukari begins to ignore her courses as she begins to hang out with a group of fashion design students. Due to her attitude and her body type, her new friends feel she would be an ideal model for their designs, and eventually convince her to join their group. In this final volume of Paradise Kiss, Yukari has only days before she has to take to the catwalk as the teen-aged members of ParaKiss head towards graduation. George is now making a name for himself by winning awards in the real world of high fashion. So there is a real threat of London or Paris calling to poach him from Tokyo,Ă Â essentially taking him away from Yukari. So what will be the future of this circle of friends? Yukari has hopes of continuing her education while still dabbling in modelling. She would hope to have George by her side, but with him spending more time designing on his own than with the group it appears as if he will be choosing work over love...for once.

"Pure soap opera, with riveting characters, this was most people $\tilde{A}$ ¢ $\hat{a} \neg \hat{a}_{,*}$ ¢s introduction to Yazawa in North America back in the Tokyopop days, and paved the way for Nana to be an even bigger hit. Glad to see Vertical putting [Paradise Kiss] back in print so it can get the attention it deserves." -

Manga Bookshelf"Paradise Kiss is one of those series that stands the test of time in its own way as even though itââ ¬â"¢s dated with some references and some gender politics, itââ ¬â"¢s a work that signals a small but significant change that followed. Itââ ¬â"¢s a work that broke its own particular ground and reminded to a larger audience that there are a lot more interesting stories to tell beyond just the chase... Paradise Kiss is a fantastic work that comes together beautifully across these three collections. Thereââ ¬â"¢s a real love in the work that you can see from what Ai Yazawa has done and itââ ¬â"¢s been translated and brought across wonderfully here. This is a series that belongs on most every manga fans bookshelf." - The Fandom Post

From 1999 to 2009 no shojo manga (girls comics) author in Japan sold more books than Ai Yazawa. Raised in Japan's Hyogo Prefecture, Yazawa grew up with ambitions to become a fashion designer. As a youth enrolled in the Osaka Mode Academy, one of Japan's most competitive fashion schools. In 1985 Yazawa made her debut in the pages of the monthly girl's anthology RIBON with the title 15th Year. While her tales focused on young love, but what captivated readers was her stunning sense of design. Since then she has gone to pen eleven more titles and has sold more than 100,000,000 books in Japan alone. Her title NANA was an international sensation, spinning off multiple movies, animated TV series, fashion lines and even inspiring international talents of music and film.Paradise Kiss has been translated into 10 languages and is considered her defining work.

Totally awesome! My wife and I just watched Nana and couldn't wait to branch out into the rest of Ai Yazawa's oeuvre. I've just started reading, but can already tell it is going to be just as awesome as Nana. The fashion is fun and the characters practically leap off of the page. - Nick

A wonderful conclusion to the series. All the characters are fantastically developed. Favorite series, favorite author, and i love this book!

If you are a fan of shoujo or fashion, I highly recommend this series! What I love about Ai Yazawa 's works are the gorgeous, unique art, including LGBT characters and her ability to give each character, even supporting ones a lot of depth.

Cover received was not the cover pictured. The cover pictured would have matched my other covers but the one I received was completely different.

I love the artwork and the story! DEFINITELY love the characters. This is a really unique manga~ and it has such great sense of fashion.

Paradise Kiss is my favorite manga yet. The story is wonderful! The Romance between Yukari and George is played out just right. The rest of the characters are really easy to fall in love with. A lot of people say the art style is hard to get used to but I think it's great to see something a little bit different from the typical manga style that still works really well. If you're just getting into manga or looking for something new, you need to read Paradise Kiss! That's all there is to it. :D

Love, love love!!! Like the other reviewers said, it's really a big step up from the previous release! The first volume doesn't have the full out colored page but I can't wait for that in the other releases!!

The story of Paradise Kiss is very interesting. Its a great love story. It will appeal to an age group starting at around age 15+. This is the story of a young girl torn between two paths in life. The life she wants and the life she is made to feel she should live. Very enjoyable.
