# 40 Days With... The Gospel Of Mark: A 40 Day Biblical Devotional Journal: Study Reflect Discern Pray

## Synopsis

Mark, the shortest and often overlooked Gospel, is likely the first Gospel written. Would you like to read and spend 40 days reflecting upon, journaling, and praying through the Gospel of Mark? Mark is the most direct gospel and the story moves quickly. Miracles are the most prevalent feature as Mark ensures that Jesus' divine nature cannot be missed. Mark is only about 60 percent as long as Matthew and Luke, making it easy to cover in one 40 Days with Mark volume. Spending 40 days absorbing the Gospel of Mark is an opportunity for an enriching and rewarding experience in just a few short weeks. While designed for individual use, this book is easily adaptable for use in small groups. Through daily study and reflection, you'll open your heart to the Holy Spirit and listen for how the scriptures are speaking to you each day. This devotional journal is designed to help you grow spiritually in two ways: Your Biblical Literacy- develop your knowledge of this book by immersing yourself in it for a season. Your Biblical Intimacy- move beyond knowledge and learn how to let Scripture speak to you each day. When these two things are developed and practiced, we allow more room for our relationship with God, allow God to speak to us, and are drawn closer to God. Dedicated, daily time reflecting on Scripture helps you grow in your faith and also helps to keep your daily life in a proper perspective. Patterned on the ancient practice of Lectio Divina, or "praying the Scriptures", the Scripture is our focus in this devotional journal. This resource was designed to help you create space for God to speak to you through the Scripture of the day. Listen to what God is saying to you through Mark's Gospel. Studying scripture in 40-day segments makes our study more manageable and perhaps more importantly, increases our ability to stick with it as a daily practice. If you haven't done this kind of devotional before, I really think you'll be amazed at what this kind of daily practice will do for you. Be sure to look for other 40 Days with Mark volumes! Make the decision to spend a little time with God's word every day for just six weeks. You'll be glad you did.

## Customer Reviews

This devotional is so simple yet so transformational! I find I can stick to my daily practice with more regularity since I don't have to have a Bible, devotional book, and a journal. All I have to do is have a pen and as much time as I'm able to give it. Some days I will spend 20-30 minutes meditating and reflecting. Other days I'll spend only 10. I find myself really interacting with the scripture and not someone else's opinion. I highly recommend this book for those seeking to grow in faith through scripture. No matter what denomination, this devotional will be the right fit for you! I can't wait to get started on Matthew next!

I have gotten a ton of value out of this. It's incredibly well put together. HIGHLY recommend!

This is a wonderful way to learn, understand and add to your devotional time. The regular person who may not be bible "savvy" can really benefit from this book, I know I did. Great read, AND you can keep going back to it even after the first run! Well done!

What an awesome tool for those of us who don't always have an hour a day to study! The easy-to-use format adapts to the amount of time I have -- and the depth to which the passage speaks to me. I highly recommend it!!

Great book for bible readers at all levels or for folks wanting more information about the gospels. The book is self-contained so you don't need a bible at your side. I found it useful to read several chapters at once and then go back at a deeper level. If you want to seriously meditate, all you need is the book, a pen, and a few minutes of quiet. This is a simple and yet helpful resource for going deeper into the Bible. It can be used individually and would also work well in a small group.

Excellent - well done! Written to encourage devotional time in the Scriptures and Spiritual growth

through a personal experience directly in The Word. Congratulations and kudos to Reverend Barbieri!

This book was easy to follow and gave great freedom to the student and the teacher for discussing. I would recommend it for a fall short term Bible Study
