Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.

Great map.... waterproof, tear resistant. Easy to fold into whatever section you're traveling in.

Great map if you're a hiker, mushroom hunter! Me? I'm the latter and this'll be extremely helpful. Map is tear-proof so it can be abused to a degree.

Good map.

For a broad overview of trails its fine, but the scale is far too small to be actually useful on a hike.

As advertised

Excellent for hiking durability.
