The Deen Bros. Get Fired Up: Grilling, Tailgating, Picnicking, And More

Synopsis

Hungry for the great outdoors? Jamie and Bobby Deen know just what to make—whether it's in your own backyard, on the beach, at a potluck picnic, or tailgating before the big game. In *The Deen Bros. Get Fired Up*, Paula Deen's sons share a new batch of more than 125 mouthwatering recipes and entertaining ideas to make your outdoor dining a breeze. Jamie and Bobby have always preferred eating at a picnic table to a dining room. For the guys, backyard grilling means more good eats and less mess, tailgating is all about friendship and fun, and a beach picnic is a chance to splash around in the sun between courses. Now the brothers are sharing their outdoor cooking know-how to help you wow your friends and family with everything from grilled meats and barbecue to sandwiches, pizzas, and smoky sides. This irresistible cookbook also offers up delicious nibbles, tasty salads, and refreshing Seaside Sippers. Featuring ingredients easily found at your local supermarket, these effortless dishes are made even more special with the Deen brothers' signature Southern flare. Fire up the grill for some Beer Can Chicken with Sweet and Spicy Pickled Vidalia Onions, Big Fat Garlicky Rib Eye, and Down-Home Baby Back Ribs. Whip up Hot Buffalo Burgers with Blue Cheese or Nutty Pimiento Cheese Balls in the parking lot before the game. Spread out the picnic blanket for some Red-Hot Mayo and Tomato Sandwiches, NOLA-Style Dirty Rice Salad, or Southern Biscuit Cheese Straws. Hit the beach with Glazed Barbecue Shrimp, Grilled Crab Cake Sammies, or Fire-Roasted Clams and Mussels. Then wash it all down with such lip-lickin' concoctions as Pomegranate Punch, Cucumber Sangria, or a Savannah Sea Breeze. Jamie and Bobby also throw in something sweet with their Grilled Buttery Pound Cake and More and More S'mores. Packed with gorgeous photographs of the whole family at work (cooking!) and at play, *The Deen Bros. Get Fired Up* is a celebration of the beautiful landscapes, the wonderful people, and the great meals we can all share together.

Everything was great.

We have used several of these tips and recipes. Well written.

Purchased this for my husband's birthday; we are going to cook through the book for a summer culinary adventure. He likes it, and the recipes are not weird or for food snobs only.

Warning: have your grill ready before you open this book...the broiler isn't going to cut it! Lots of creative ideas for cooking great meals outdoors, no matter what your taste. A perfect gift for the avid griller in your life. So good, your guy won't mind some of these recipes on his honey-do list, either!

They have a lot of imagination and do know what men like! Big surprise they are men. Some of it women like too and that is a plus. Just wish they had a magic wand to go with the book to wave over your spouse to move him to be as kitchen/grill savvy as the Deen Bros....still it is a good cook book.

They have good recipes. You just have to skip over all the college football chatter. Their food is always better/healthier than their mom's.

VERY WELL WRITTEN. WONDERFUL RECEIPES. KNOWLEDGEABLE IN FOOD PRODUCTS AND VERY PERSONABLE IN RELATING TO PEOPLE WHO ARE NOVICES AS WELL AS CHEFS IN COOKING. LOVE THE DEAN'S, ALL OF THEM.

Great Book and Recipes
