## Synopsis

“Sexy North Moretti makes me explode into confetti” •yeah, I’d written that little gem. Worse still | North saw it! Unfortunately, this didn’t happen back in the fourth grade where such a poem would be considered, well, not so lame. No, this happened in high school. So, when he ends up being the perfect guy for my masterly planned fake-rebound from my cheating ex-boyfriend | well, NOTHING can go wrong with that, right? \*NORTH MORETTI •Brynn is cute, adorably sweet, so I wouldn’t mind helping her out. Only | I’m not exactly the most saintly guy. I have my weaknesses for all things questionable •and enjoyable •especially when it comes to girls. I don’t want to hurt her | only she’s making it hard to say no. Worse yet, she’s making it hard for me to be me •a no strings-attached, slacker kind of guy. I did NOT see her coming.\* Standalone teen romance No swearing No book needs to be read before or after this book This story is a three-hour read By Melanie Marks, author of His Kiss; and The Boyfriend Contract This book also includes another romantic teen story by Melanie Marks.
