Customer Reviews

Corgis have real steel and Olympic Game appeal. In a book dedicated to their cause, I laughed and it gave me paws. Susan Alison may be the greatest, last authority on the antics of such puppy dogs who most of us thought were always slogs! The poetry is delightful. The Corgi Sports insightful. Added to the general melee you get paintings that make your day! Susan, I thank you from short Corgi legs, having seen the official Game regs, for penning such drollery to entertain me with pet Bowl-ery. I loved this book. The poetry is adorable and the artwork amazing. Another fantastic book, Susan! YAY!!!

perfect love it
