Mastering Your Mean Girl: The No-BS Guide To Silencing Your Inner Critic And Becoming Wildly Wealthy, Fabulously Healthy, And Bursting With Love

Synopsis

Ready to live your dream life? You know that sneaky voice inside your head telling you that you're not good enough, smart enough, pretty enough, whatever enough? That's your Mean Girl. And she's doing her best to keep you stuck in Fear Town, too scared to go after the life you always imagined.

But enough's enough! Melissa Ambrosini has made a life beyond her wildest dreams, all by mastering her Mean Girl, busting through limiting beliefs and karate-chopping through the fears that held her hostage for years. And now she wants to help you remember not only what you are capable of, but how amazing you truly are!

In this inspiring, upbeat guide, Melissa provides a practical plan for creating your own version of a kick-ass life • one that's wildly wealthy, fabulously healthy and bursting with love. Designed to propel you out of stuck-ness and into action, this is a must read if you're ready to let go of your Mean Girl and start living the life of your dreams.

I LOVE Melissa's book. I felt like she was talking to me the entire time. Not only have I been able to figure out that my mean girl is keeping me from seeing the truth, I am also looking at how I parent and how I am talking about myself in front of my children. I love Mel's outlook and advice on everything from self care to relationships to food. I have been in a shift in my life because of Mel's book. I'm becoming the person I want to be and I am working on be a better me. Not only do I have

Mel's book, I bought the audio book because I couldn't read it fast enough and listen to ALL of her podcast! I wish I had this book when I was in high school.

If you want to self-discover yourself and be a true version of yourself, you will pick this book up! Absolutely amazing!!

This book has been life changing for me, so much I have told all my girlfriends about it. I am mastering my mean girl while learn Thst ultimate health starts from the inside out.

What an awesome book! This book hits so many points of life, exactly how the everyday person experiences them. Simple tips and helpful advice to help make each and everyday some better and more beautiful.

I absolutely loved this book! This book is just full of great ideas to help you calm down that nasty little voice in your head in order to be the best version of yourself. Mastering Your Mean Girl is full of positivity and self-love, so I'd recommend this to anyone looking to improve their life and find more inner peace.

I loved this book and Melissa's approach to life! While my 'style' is not as lovey-dovey to myself, this book contained a great approach to rethinking self-talk and building up your confidence. It's helped me reframe my expectations of my loved one and others, and I truly feel more content with myself. I have a lifetime of application of these principals ahead of me, and I look forward to it!

Writing is a little choppy, and I don't really connect with her story at all.

This is one of my favorite books. I have used it countless times as inspiration for my blog and in my personal life. Who doesn't need to tame that negative inner voice that limits our potential? Really fantastic.
