Breathless (Seven Brides Seven Brothers Pelican Bay Book 1)

Synopsis

Private Investigator, Parker Donahue, gets a blast from the past when his ex-girlfriend, Cadence, walks back into his life with an urgent request. It's been three years since Cadence broke his heart by unceremoniously dumping him. Now, she wants his help in getting her son back after he's abducted by her ruthless ex-husband. Seeing Cadence again rocks Parker's world and reignites feelings he's tried to stuff down over the past few years. Having the love of his life back in his orbit forces him to face the fact that he's never gotten over her. And he fears he never will. Three years ago Cadence Johnson sacrificed herself in a bid to save the man she loved from a dangerous threat. Now, with her son kidnapped by her ex-husband, she turns to Parker to help her locate him. Being in Parker's presence reminds Cadence of everything she lost when she ended things with Parker. But she fears Parker won't ever truly forgive her for the pain she caused him in the past. Can Parker and Cadence work through the betrayals of the past and reignite their love story?

Customer Reviews

One of my favorite things about Belle Calhoun's books are the quotes at the beginning of the chapters, like this one: "Trust in God. Especially during the times when you feel as you're flying blind. ~ Caleb Donahue" Another favorite quote is: "but our life is already so incredibly special. I don't need a dream. Our reality is just as good." And I love their family motto: Donahue strong! It's been fun to read each of 7 brothers' stories, and to have them all intertwined. They can be read as a stand-alones, but it's been so much fun to read the entire series and to get to know all of the characters. I'm always anxiously waiting to get the next book!

I read all of the books in the Seven Brides for Seven Brothers series and this is a continuation of that series about the Donahue cousins in Florida. This is also a large family made up of biological and adopted children. Parker Donahue has never gotten over his girlfriend Cadence breaking up with him on the night he was set to propose. She returns to Pelican Bay, revealing a secret, and asking for Parker's help. Great story about forgiveness and second chances.

After having read the Donahue series, I was excited that Belle has a spin-off with the Pelican Bay series. I enjoyed the surprises that this book has. I can't wait to read more in the series so I know what happens to the other characters. A fun read for sure.

Thrilled a new series by Belle Calhoun is out, a sequel of sorts to her northern Donahue cousins. Love the setting, the suspense that infuses Parker and Cadence's romance, and the continued themes of diversity, family and real life issues the readers can identify with. So glad I have lots of sibling tales ahead.

This is a great story. It's a good start for the New series. I fell in love with the first Donahue series....and I am looking forward to the books from Pelican Bay. Belle Calhoun is a good writer! Gr8 book!!

Love Belle's books. Love revisiting characters from her other books. I have read most of the other two series. It is fun to read about people with my values. Christian people think the same. I am buying the rest as I can.

I can't get enough of this series. It makes it hard to put the book down. I can hardly wait til the next book release.

As always, Belle Calhoun has outdone herself! I only have one complaint and that is I have to WAIT until the next Pelican Bay book comes out! I stumbled upon Ms. Calhoun's books through a message on "if you enjoyed this book, you might also enjoy..." and I stumbled upon The Way Home (Seven Brides Seven Brothers Book 1) and fell in love. After reading book 2, Still the One (Seven Brides Seven Brothers) I realized Belle had backtracked and wrote Maggie and Alec's story (the parents) When You Believe, so I read that before proceeding with the third book Until You Loved Me. After finishing all 8 in this series I waited (impatiently) for the Secrets of Savannah series to come out. Again, I loved them! I was so excited that the Donahues from Pelican Bay were getting their own series! I read Breathless in a little over a day... darn sleeping anyway!.... and now I wait for book two! I have read every book that Belle Calhoun has written, and have NOT been disappointed one time! I have referred friends and relatives to her books and they have been extremely thankful for the recommendations but also having such wonderful and unique books to read! Such diversity in her writing is something you just rarely find, and today more than ever, the love, kindness and diversity these books Belle writes is a true and treasured blessing! I highly recommend this book and ALL the books written by Belle Calhoun to anyone that enjoys a good clean romance! DISCLAIMER~ I have never met Ms. Calhoun, This is my true and honest review of an author's work that I enjoy and admire!
