Customer Reviews

It is not what I expected, which is doubly disappointing because I bought one for my Scrabble buddy. Picture 3 shows January 4. I thought all the pages would be like that, but alas, that is only the "theme" for Mondays. Had I been in a store where I could read what was on the box, I would have returned it to the shelf. Picture 2 shows the back of the box, which gives the information about the calendar rotating through six themes, but it is too small to read. The information given there should have been included in the item's description. I wasn't looking for "Hints", "Hooks", "Word of the Day", "Tips & Tricks", "7-Letter Scrabblers" or "Word Challenge". I thought the "Best Play", as in the January 4 example, would be a great way to start the day - a bit of mental exercise - but it is only available on Mondays. So I will have a reason to look forward to Monday when that is the theme of the day. Other people may enjoy the different themes. It would be of service to prospective buyers if the information on the back of the box was included in the description.

learn a lot of words!

I bought a few of these for some of my 'wordie' friends. They all loved them.
