While its unbelievable that the kids are once again stranded it still makes for a good story. I didn't find it as enjoyable as the first 3 but it was still entertaining and once you are sucked into the story you want to read them all. read first 3 first though.

Great book series, my son loves it.

This is a great book that my middle-schooler has read. It is well-written and has kept my daughter wanting to read more.

Enjoyed it. Ready for the next two.

My daughter loves these books. Just waiting on the last one to be released

I actually bought this book as a present for my dad for Christmas. He read the other series that Jeff Probst had written so I got him this book too. He said he likes it so far. Thats all that counts.

Grandsons 10 and 12 loved it.

I liked Stranded Forbidden Passage was action packed with tons of adventure. I can't wait for the

next one!!
