Vocabulearn Russian Level 2 (Russian Edition)

Synopsis

Easy and effective, VocabuLearn presents useful vocabulary words (the building blocks of language) and expressions designed to greatly increase comprehension and improve pronunciation of the foreign language. Plus, VocabuLearn's unique reversible/bilingual format allows non-English speaking students to learn English in the same way English speakers learn the target language -- using the same cassettes and word lists. Level Two includes an expanded vocabulary with new expressions. This music-enhanced edition includes a carefully selected classical background for optimal learning.
