Houses Now

Synopsis

A selection of outstanding contemporary architect-designed houses from around the world. *Houses Now: Material Style* is a chic, modern book that showcases an eclectic range of contemporary homes, designed by an impressive selection of architects. Honing in on the variety and quality of materials used, *Houses Now* also explores the finer details of architectural styles from across the globe – from suburban masterpieces and sprawling country homes, to sleek city residences and breathtaking beach houses. These houses demonstrate that, when it comes to residential design, there are few limits. Professional full-color photography is complemented by floor plans and a vibrant book design.

Customer Reviews

Fabulous ideas for any home builder or renovator to pinch, a curved deck here, recycled-timber cabinets there, even an all-white mezzanine bedroom in the roof. Jam-packed with photos and floor plans, the book is a font of inspiration. (Herald Sun, October 18, 2014) Featuring an outstanding selection of contemporary architect-designed houses from around the world, *Houses Now* is a chic, modern book that showcases an eclectic range of contemporary homes, designed by an impressive selection of architects.
