Customer Reviews

Another good Wimpy Creeper one. My son thought it was funny. Not as funny as the first one--this one was a little more scary. Kid scary. Can't wait until book 3. And to answer your question, SS, we DO like this fan who helped with the story. Looking forward to their his/her slime story too.

Dear Skeleton Steve, It's me, MantisFang887 aka EpicDrago887. The next book in this series finally out!! I have waited so long for this! You are very talented. This book is funny, thrilling, and action-packed! There were many aspects of humor and "suspense". However, I have a few things to say. First, please make the release times longer. Secondly, is it possible to make them a bit longer? If the release is still late but the quality is a bit better (length, pictures, and such) then I wouldn't care a thing about the release date. Just don't make me wait a whole 3 months or more. Thanks! Overall though, the plot was amazing and so was the humor. Oh yeah, and one ast thing. May I please be a character in one of your books? I would be so happy! Thx again.
