Customer Reviews

The info is O.K., this is more like a pamphlet... font size should be bigger.... Yes, it does have the basic info and get you started. .BUY a used copy. Happy backgammoning. .

some of the cartoons and some of the jokes are not at the kid level but maybe they won't get them so I gave it to my 9 year old grandson. He just learned how to play from his grandfather and dad but this gives him some extra help and some of the more correct terms. I liked the format.

Very good

it will help me and my family learn the game.

Clear instructions.
