Customer Reviews

"The Sweet Tooth is a highly trained and self taught, private gourmet chef and Creative Ice Cream Dessert Specialist that has enjoyed her craft in the kitchens of many celebrities and exclusive events of Southern California. She enjoys creating new recipes for an array of categories and writes recipes and books from her heart and soul to share with you! Hope everyone will enjoy my book and I hope I dazzled your tongue & taste buds!! "The Sweet Tooth xoxo

very good book, ice cream recipes are great.

This recipe book is a perfect companion to the Cuisinart Ice Cream maker.

Grandchildren loved making ice cream with us

Great recipes!

Excellent

Best ice cream book out there. I've made several of the recipes in this book and all have been good. We love the coconut ice cream, which infuses the milk with coconut and is then strained, so you have the flavor without the texture. Even people who say they hate coconut love it. Very different ice cream recipes. Austro Sweet Tuth easily and clearly have written. I recommend this recipe book

This book might have been titled "Everything You Wanted To Know About Making Ice Cream Of The Standard Variety Or Softserve Or Gelato, Using Cuisinart". The secret is the recipes given would probably work with any quality ice cream maker.

It's a great book of recipes, well-written and fun to read, and economically priced at ninety nine cents, which may explain why it sometimes reads like an advertisement for Cuisinart, and some of the clever recipe names were ginned up by an advertising agency (e.g., kickin' key lime sorbet, grape delicious ice cream, mango madness coconut raspberry yogurt). The introduction covers the three components of a successful ice cream experience: base (cones, pancakes, pie, tortillas, etc.), toppings (pretzel sticks, breakfast cereal, brownies), and sauces (strawberry, lemon, maple syrup, etc.). Other chapters extol the virtues of frozen yogurt, what else to make besides ice cream, how to use your Cuisinart ice cream maker, secrets of the Cuisinart pros. The rest of the book consists of soft serve, gelato, and regular ice cream recipes organized in terms of classics (traditional), fruit-based, novelty, healthy, appealing to kids, and grownups only. "Grownups only" includes such wonders as gin and tonic, margarita madness, and vanilla screwdriver). Lots of fun and calories and why not? Life's for living, might as well.

Please, have mercy! Can't stop making ice cream and frozen yogurts since I've purchased this amazing book! My children are so excited to try new flavors! Was really surprised how Sweet Pumpkin Gingerbread Frozen Yogurt turned out! My absolute favorite is Tropical Mango, although the kids prefer Screamin' Sour Patch Kids Ice Cream. Must try! Really recommend

this book for those who are ice-cream addicts like myself! Never thought ice cream maker would be such fun and useful thing to bring my family together on weekends.
