Tenochtitlan (Battles) (Battles That Changed The World)

Synopsis

Marathon, Hastings, Midway -- just a few of the major battles covered in this series, which introduces readers to the wartime engagements that changed the course of human history. Each book gives a historical account of a decisive battle -- its participants, the political climate leading to the engagement, and the deciding factors that ultimately led to a victory or defeat. The former capital of the Aztec Empire, this city of floating gardens and aqueducts was destroyed by the Spanish in 1521, and Mexico City was built on its ruins.

This is a good book on the Spanish conquest of the Aztec Empire in Mexico and the battles for the Aztec capital city of Tenochtitlan. Mostly meant for younger readers or beginners to the subject.
