The Billionaire Escape Plan: A Billionaire Friends To Lovers Romance (Friends With Benefits)

Synopsis

A sweet and sizzling standalone romance from USA Today bestselling author Ember Casey. Most girls dream of marrying a billionaire. Me? I'd rather make fun of one. Especially if the billionaire in question is Alexander Grant. Excuse me, Xander Grant. That's right, the mega-hot entrepreneur who seems to top every magazine's "Rich Eligible Bachelors" list these days. To me, he'll always be Alex, my childhood best friend. The guy who joined me on all sorts of wild teenage misadventures. The only person in our small town who understood me. It's been four years since I've seen Alex. But suddenly he's back in our town at the exact same time my life is imploding around me. We've both changed so much. I mean, the guy used to live in ripped jeans, and now he wears nothing but designer suits, but when I need it most, he offers me exactly the escape I need. A chance to run away from my life, if only for a few days. I only hope my heart is prepared. What a cute, sweet love story. I loved every second of it. I really wasn't sure what direction it was going to go, but it is perfect!

Cute romance, with some pretty good laughs in the beginning, just wish it would have had more laughs towards the end too. Really enjoyed the characters and the story.

Best friends that fall in love. The story was sweet without being sappy. Full of angst and funny. You root for the obvious and hope for the best. Full of heart and feel good.

a funny and charming read. a great friends to lovers romance. Casey makes it easy to fall in love with the characters.

I could not put this book down it's amazing and Heartfelt. This was a fast paced read. I Highly Recommend this book for over 18 due to content.

I enjoyed this story. I particularly liked Alex and the fact that his inner thoughts was a mystery. He was well written and mature. Mae was a bit of an accident prone disaster waiting to happen, but I suppose that was the idea. It was a bit on the short side and I would have liked a bit more action,

but all in all I liked it. Nice to read if you want a sweet story about friendship turning into love.
