Reign Of Serpents (Blood Of Gods And Royals)

Synopsis

As the end of an age approaches, blood soaks the earth, twisted prophecies wield immeasurable power and tyrants demand impossible sacrifices. Prince Alexander of Macedon's mind has been touched by an incomprehensible evil, even as his betrothed travels from afar to unite their kingdoms against a terrible darkness that threatens both realms: the Spirit Eaters. From the distant shores of Illyria to a small deserted island, the deadly consequences of Smoke Blood magic loom and lost civilizations emerge to reveal the existence of a weapon that may do the impossible; kill the last living god. As magic rises and warriors clash, the fate of all Macedon rests in the hands of the unstable prince and those whose loyalty can no longer be trusted.

Eleanor Herman is the New York Times Bestselling author of *Sex with Kings*, as well as three other works of nonfiction: *Sex with the Queen*, *Mistress of the Vatican*, and *King Peggy*. Obsessed by all things royal and historical, she lives in McLean, Virginia with her husband and four extremely dignified cats. *Legacy* is her first novel.

Always intriguing and well written. The same characters viewpoints from the first books and several new ones. Every new chapter is addicting and builds in nonputdownability.

This has become one of my favorite YA fantasy series. The writing, story and characters just gets

better and better with each book. I love the fusion of fantasy, mythology, and having Alexander the Great as central character. Non stop action and sweet romances. This series ranks right up there with Sara J Mass Throne of Glass series and Rae Carson The Girl of Fire and Thorns. So incredibly good. I thought this would be the last book in the series but I was wrong. Can't wait for book #4 to see what will happen.
