Hold Me, Cowboy (Copper Ridge Series)

Synopsis

[Read by Lillian Thayer] Stranded with a cowboy for Christmas from *Ã* *Ã* New York Times *Ã* *Ã* bestselling author Maisey Yates! Oil and water have nothing on Sam McCormack and Madison West. The wealthy rancher has never met a haughtier -- or more appealing -- woman in his life. And when they're snowed in, he's forced to admit this ice queen can scorch him with one touch. Madison had plans for the weekend! Instead she's stranded with a man who drives her wild. A night of no-strings fun leaves both of them wanting more when they return to Copper Ridge. His proposal: twelve days of hot sex before Christmas! But will it ever be enough?

Customer Reviews

Maisey Yates sold her first book at age twenty-three. Since then it's been a whirlwind of sexy alpha males and happily-ever-afters, and she wouldn't have it any other way. She divides her writing time between dark, passionate category romances set just about everywhere on earth and light, sexy contemporary romances set practically in her backyard. Yates lives in rural Oregon with her three children and her husband.

3.5 Stars! Hold Me, Cowboy was a quick, enjoyable read with an incredibly hot romance and characters looking for a second chance at happiness. Madison West and Sam McCormack are like night and day and generally try to avoid each other. However when a snowstorm traps them together, the attraction they've been ignoring for years finally comes to a head.

After a wild night of no-strings sex isn't enough, they decide to use the twelve days leading up to Christmas to fulfill their needs. But when their twelve days are up, will they be able to walk away? Madison is used to taking charge in order to get things done, but otherwise strives not to rock the boat and create another scandal. After becoming an outcast in town due to her affair with a married older man when she was 17, Madison is very wary of trusting others. The situation did cause her to grow a thick skin and she's fairly self-reliant as well. I enjoyed watching her open up and learning to trust again. Sam devotes most of his time to his family and his work (whether that's on the West ranch or working on his metal art). Outside of his work and his family, there isn't much else Sam has time for, so we never really find out if there are any other hobbies he enjoys. Sam has a lot of issues when it comes to discussing his art or taking pride in what he does. The issues he has are understandable once you know the circumstances and I enjoyed the journey he went on in this book related to his art. Madison and Sam had amazing chemistry right from their first scene together. I loved all of their banter and flirting. When things get physical, it's incredibly hot and those scenes were my favorite part of the book. Unfortunately, the emotional side of their relationship seemed to develop too quickly and I never fully bought into it. Granted, it was still enjoyable to read, I simply liked their physical scenes more as there was better chemistry and less drama. The characters from other books who show up in this one are mainly from the West books (One Night Charmer, Tough Luck Hero and Last Chance Rebel) as well as Sam's brother's story, which was the first Copper Ridge: Desire book (Take Me, Cowboy). As always with the Copper Ridge books, I love all of the cameos the author builds into these books. Overall, Hold Me, Cowboy was a nice addition to the Copper Ridge universe and I definitely recommend it for fans of the series.

Another great romance tale from Maisey

This is another of a coordinating storyline from Ms. Yates. As always, it was delightful! I'd also recommend this author!

Love her stories

I love this whole series. I really enjoyed the raw passion in this story and I'm not talking about the sex. You could feel the despair and a little hope in each sentence. Good job, Maisey Yates.

Sam and Maddy's story is a fast and sexy read. I loved it!

I really loved and enjoyed this book. Really a great series that has kept me hooked. the best cowboy series out there. cant wait to read more.

Love the Copper Ridge series... All of themCan't wait for more to read. Let the count down begin.
