Robert J. Grant is well known as a published author and accomplished speaker. He travels the world speaking on death and the afterlife of those who have passed through death. Previously a military journalist, Robert is now a hospice care worker in Virginia Beach, Va.

"Listening to the Angels can be one of the best ways for us to enter into a life-changing communion with our deepest spiritual nature."

Is still interesting to read even though it is a bit dated. As of the time of this review, the current election had me upset. However, I was able to find reassurance that, through faith, there is always hope.

Very interesting to read.

Delivery was good book itself had some good information but the book of Enoch sounded confusing.

I loved his writing. It made Casey accessible. All the bits I want to know and clearly explained. Thank you.
