# The Pearl Sequence: Liberating Your Prosperity (The Gene Keys Golden Path)

## Synopsis

The Pearl allows you to put your contemplation of the Golden Path into practice. What use is knowledge if it doesn't step off the page into your life? In life there are wild pearls and there are farmed pearls. The difference between the two is the same difference between you being given knowledge by another and you finding it out for yourself. You have to be the pearl diver and use your imagination to work out how this wisdom can best be applied in your life. The Pearl is only for those who are willing to risk their lives for something greater.
