# His Last Hope: A Contemporary Christian Romance (His Last Hope Series Book 2)

## Synopsis

Christian Small Publisher 2016 Romance Book of the Year! Who is the mystery woman? Whose baby is she carrying? Will Daniel ever learn the truth? It's a nightmare from which she can't seem to wake up. With no name, no memory and no identification, she can only answer to the name given to her: "Hope." In the hospital, she is befriended by an older woman who becomes her lifeline, but even "Aunt Ruby" is stunned when Hope shares the mysterious circumstances of her amnesia and the unexpected complication: she's pregnant. When Professor Daniel Donahue returns to Florida from teaching abroad, he's suspicious of the stranger now living with his beloved aunt. He makes it his mission to discredit Hope and disclose what he believes are her devious intentions. Hope can't help but feel the tension between them, but just below the surface lies an attraction neither of them can explain. With each passing day, Daniel finds it harder to deny his growing feelings, but before he can acknowledge them, he must face the pain of his past and resolve his issues with God. Can he lay his heart on the line, never knowing if someone else is out there, ready to reclaim his new-found Hope? \*\*\*\*\* "[The] most compelling novel I have ever read...." (V.R., Reader/Reviewer) \*\*\*\*\* "A refreshing tale of conversion, loss & restoration." (J.L.C., Reader/Reviewer) \*\*\*\*\* "Captivating and inspiring." ## Customer Reviews

There times when you read a story and you know that God has touched the pen of the writer, His Last Hope is one of those stories. Beautifully written, showing God's love for His people. Even though we may go through tragedy, pain, suffering and lost His love never fails. God's arms are open waiting for us to fall into them; His Last Hope communicated this message beautifully. We all need an Aunt Ruby in our lives, this character was amazing. I love how she trusted in God and how she showed her love for Him. What can I say about Ryan? He knew his role as the priest of his home. Jasmine was a breath of fresh air and I really enjoyed how she wrote her feelings out in her journal. Hope, strong even though afraid of what the future may hold. Daniel, broken but determined to not let the past hold him hostage. You will have to read this story to see what happens to these characters and how God uses them.

Story is well written, easy to connected with characters and excellent insight on Romans 8:28. But the romance is missing, the main characters, who spend 95% of the book at odds are overshadowed by the supporting characters and their journey. As romance fan that was disappointing but Ms. Malcolm did an good job of addressing pain and suffering without being too preachy.

This was my first read by M.A. Malcolm. I was hooked from the moment I read the blurb on .Hope wakes up in the hospital with amnesia. She has no recollection of who she is or where she comes from. To add to the immense confusion, she's pregnant. That was enough for me to pick up the read and it propelled me forward to the end.Hope is befriended by 73yr old "Aunt Ruby." She welcomes Hope into her home while Hope works through her memory and life trying to remember. She butts heads with Aunt Ruby's nephew, Daniel Donahue. Daniel has a tragic past and it is the reason he can't see past Hope's supposed circumstances.This book dealt with a myriad of issues. And through every issue, Ms. Malcolm handled it with the wisdom of God. The characters were stretched, their faith tested, and in the end, they recognized God's goodness. It's an excellent read

and I recommend it to everyone

I absolutely loved and appreciated this book. It was complex and deeply moving. There were many characters who had profound roles interspersed throughout the novel. Mrs. Malcom you are an amazing author! Please continue releasing books as that offers your readers the opportunity to share in your gift.

I learned, grew and meditated on the prayers and scriptures spoken and utilized in the book. I had not gone thru this type of loss but 2 similar losses and this book was right on time. The words spoke right into my spirit. I cried, laughed and worshiped with tears of thanksgiving. I truly didn't want it to end. I also realized that I had never been mother or had seasoned wise counsel in my life...oh who Aunt Ruby was a great foundation/grounded for all to be nurtured and reared/guided softly and lovingly!! Thank you for this book! You blessed me....their bible study in there!

Wow. What an amazing story. A young woman is in the hospital with Amnesia. She has no memories of who she is and what has happened in her life. While in the hospital, she befriends her room mate affectionately called "Aunt Ruby", and is given the name "Hope". Not only is she dealing with the fact that she can't remember her past, she has to deal with Aunt Ruby's nephew Daniel, who has some issues he has to deal with. God truly had his hand all throughout this story. This was my first read from this author, and I am eagerly anticipating future stories. Marvelous job.

I absolutely loved this book! I am not an avid reader of Christian romance but I read it from time to time. The author did a great job with character development and each character actually had a purpose in this story. The overall message (to me) is that knowing and believing God's love and his faithfulness will prepare you for your journey through the valley. You will have nothing to fear!

I was a little hesitant about the book but couldn't put it down once I started reading. It's amazing when we question His plans and purposes for our lives when things are slow or going south. But then to forget the good times. I can relate to the stories in this book. It's refreshing to read books with perfect grammar and sentence construction.
