Customer Reviews

Without A doubt this is the best review book that I have ever run across. I feel that this book will give anyone taking the bar a big boost of confidence. It shows the applicant what the grader is looking for.. I just wish it was available earlier. Many thanks to the authors.

Great prep for the CA bar exam.

Awesome book to review and it gives you past exam to practice I recommend it as great practice to varieties memorandums

It's a good prep book for CBX.

Did not fulfill expectations, doesn't really teach how to do a better exam.

Excellent !

Ditto

There aren't really any other PT books to compare this to. That said, the writer gives a thorough explanation of the PT with strategies to help you tackle this portion of the bar exam. I would recommend this book.
