John Robshaw is a celebrated textile designer. His bedding line and tabletop lines are sold at Barney's, Bloomingdale's, Anthropologie and several other fine retailers. After he earned a fine arts degree and studies traditional block printing in China, John Robshaw journeyed to India to find natural indigo dye for his paintings. Instead, he fell in love with the local artisans fabric-making traditions.

Maybe a little weak in the quality department, but rather wonderful design.

She loved it. Had her favorite print included. It now hangs on an inspiration board on the wall in our

bedroom.
