On The Run: Fugitive Life In An American City

Synopsis

A RIVETING, GROUNDBREAKING ACCOUNT OF HOW THE WAR ON CRIME HAS TORN APART INNER-CITY COMMUNITIES

Forty years in, the tough on crime turn in American politics has spurred a prison boom of historic proportions that disproportionately affects Black communities. It has also torn at the lives of those on the outside. As arrest quotas and high tech surveillance criminalize entire blocks, a climate of fear and suspicion pervades daily life, not only for young men entangled in the legal system, but for their family members and working neighbors. Alice Goffman spent six years in one Philadelphia neighborhood, documenting the routine stops, searches, raids, and beatings that young men navigate as they come of age. In the course of her research, she became roommates with Mike and Chuck, two friends trying to make ends meet between low wage jobs and the drug trade. Like many in the neighborhood, Mike and Chuck were caught up in a cycle of court cases, probation sentences, and low level warrants, with no clear way out. We observe their girlfriends and mothers enduring raids and interrogations, "clean" residents struggling to go to school and work every day as the cops chase down neighbors in the streets, and others eking out a living by providing clean urine, fake documents, and off the books medical care. This fugitive world is the hidden counterpoint to mass incarceration, the grim underside of our nation's social experiment in punishing Black men and their families. While recognizing the drug trade's damage, *On The Run* reveals a justice system gone awry: it is an exemplary work of scholarship highlighting the failures of the War on Crime, and a compassionate chronicle of the families caught in the midst of it. "A remarkable feat of reporting . . . The level of detail in this book and Goffman's ability to understand her subjects' motivations are astonishing" — *The New York Times Book Review*

Customer Reviews

“Extraordinary.” —Malcolm Gladwell, *The New Yorker* “A remarkable feat of reporting | The level of detail in this book and Goffman’s ability to understand her subjects’ motivations are astonishing—and riveting.” —*The New York Times Book Review* “Necessary” | Goffman’s lively prose—communicated in a striking voice rare for an academic—opens a window into a life where paranoia has become routine | She goes beyond her street-level focus to argue something more profound.” —*Baltimore City Paper* “Alice Goffman’s *On the Run* is the best treatment I know of the wretched underside of neo-liberal capitalist America. Despite the social misery and fragmented relations, she gives us a subtle analysis and poignant portrait of our fellow citizens who struggle to preserve their sanity and dignity.” —Cornel West

ALICE GOFFMAN grew up in Philadelphia and attended graduate school at Princeton University. She teaches in the sociology department at the University of Wisconsin-Madison. She is the author of *On the Run: Fugitive Life in an American City*.

Very compelling ethnography, one of the finest in the genre in recent years. Marred by some concerns about verifiability of her accounts. For a teacher, an excellent purchase and read to use with students.

Very engaging book. Amazing research approach. I gave it to my daughter to encourage her own research.

A real eye opener! Everyone should read this.

The author illustrates her academic research with the personal stories of her friends, and herself, that promotes understanding of black lives in the "hood." A great read and an eye-opener for suburban white folks.

It was an interesting read, but there was definitely some holes in her research.

Great sociological study of race and the criminal justice system.

Excellent book and an amazing story.

I wish she had talked more about them like they were people.
