Customer Reviews

This book was very exiting and nice to read but, there was no climax, there was just tension throughout the whole book. Overall good for a short book. The pictures were AMAZING awesome.

I'm going to recommend this book to ALL my friends! As soon as I'm done writing this review, I'm going to read the next one in the adventures series! I'm Soooooo glad I found this book! I love your books ender king!

I would have rated 5 stars but it has errors like on one page it was supposed to be care but it said car instead

I liked it in all though I think he should of put more thought into it making it longer and that's just my opinion maybe other people feel the same?
