She won the Teacher of the Year and Teaching Excellence distinction in 2001, 2002, 2003. She is the Program Director for Surgical Technology and Registered Nurse First Assisting at Lorain County Community College, In Lorain, Ohio.

Not what I was looking for. I was looking for something that had the names of the instruments used in surgery. This book is basically for any surgical OR staff and not a MTE. Basically it gives you an instrument and you have to name it which is not very helpful when I do not know the name of the instrument to begin with and that is why I ordered this.

dont buy it

Ok not to bad
