The usual melange of serious and funny articles, recipes and more. Incredibly sad to be the last regular issue. I have every issue from the first and love to reread pieces, especially the essays.

Gonna miss this publication so dang much after the next, last issue, because every issue has been joyous, thoughtful, informative, and FUN. The hubs and I sit on the couch and read it together! Will look forward to these chef's next ventures.

Two stars is a generous review. The content continued to go downhill for a long time. Good riddance.
