E&M Coding Clear & Simple: Evaluation & Management Coding Worktext

Synopsis

Gain the leading edge! Evaluation and management codes are among the most widely used and most important codes in professional practice. Yet many students struggle with understanding the codes and how to apply them. Not anymore! This easy-to-read text breaks these complex codes into manageable, bite-sized pieces. Practice questions and real-world case studies help you apply your knowledge and approach any coding situation with confidence. Even more online at DavisPlus! Enhance your skills with engaging, interactive exercises, yearly content updates, and more!

Customer Reviews

I am also very disappointed the answers for unit 5 aren't given. It doesn't do any good to do the exercises if you don't know if they're correct or not. Not everyone has the time to be in a study group to compare answers like the author suggested in one comment.

simple to follow and great examples. used at work to justify code assignments

Excellent

Excellent breakdown of how to count each point to an E&M

Trying to understand E & M Coding is a real challenge, so this book is helpful.

Great book. Simple to understand. I recommend it to anyone using E&M coding. Great price and great value for the money.

Perfect condition!

Using it while preparing for another Certification; Extremely helpful
