Guide To Dental Front Office Administration

Synopsis

Dental front office administration is written to encompass the study of dental administrative and billing procedures from the time a patient walks into the office to the moment they walk out, as well as the final billing and reconciliation of the patient's account. The straightforward easy-to-understand writing style from ICDC authors, presents information clearly and concisely. Patient names, exercises and examples in this training material have been designed to incorporate a light-hearted humorous context, found to improve the ability to comprehend and retain information.

This is so out of date, it shouldn't even be available.

This is just what I needed and it came in great shape like it stated it was. This was the first used

book I have ordered and I'm impressed.

good product with high quality. recommend it to my friend. Super product, great handle. Ordering another! as a gift to tiny, help me a lot.
