# Creative Haven Country Scenes Coloring Book (Adult Coloring)

## Synopsis

Idyllic and beautiful scenes in the tradition of Currier & Ives' famous prints offer 31 full-page drawings of barns, meadows, covered bridges, birds, and other familiar sights of rural life. Relaxing and peaceful country images are printed on only one side of perforated white paper for easy removal and display of finished pieces. The designs are perfect for markers, crayons, watercolor pencils, and other media. Specially designed for the experienced colorist, Country Scenes and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress. Previously published as Country Scenes to Paint or Color.

## Customer Reviews

Dot Barlowe, who formerly collaborated with her late husband, Sybil Barlowe, has created more than 50 Dover titles. Dot specializes in nature themes, and her incredibly detailed drawings attest to her meticulous research. The extent of her 80-plus years of knowledge about animals and botany is surpassed only by her enthusiasm.

This coloring book will transport you to the country with 31 idyllic illustrations covering all four

seasons, The apple blossoms and baby birds of spring, A boy and his dog fishing on the farm pond in the heat of summer, pumpkins and scarecrows bring in the fall, and the cold of winter is met with collecting maple sap by horse and wagon. The Illustrations capture the essence of country living with both close-ups and beautiful landscapes, just waiting for you to add vibrancy and color to create masterpieces worthy of framing.1. 31 Illustrations printed one per page (back is blank) on heavy weight, bright white paper.2. Details vary per illustration, many are very detailed3. Perfect for color or water color pencils, markers, pens, paints4. Adults and school aged children will love this book5. If you use Markers and some gel pens, place 2 pieces of paper under the picture you are coloring to prevent leakage to the next picture, or remove the picture from the book.The Images I attached to this photo are colored with Crayola water color pencils available on .

This Creative Haven Country Scenes Coloring Book is a good one. My husband and I like to relax and spend time together coloring and painting. He really likes this coloring book because of the outdoor scenes. A lot of the adult coloring books are optical illusion patterns, paisley patterns, and those types of things so its nice to have some actual pictures. He uses gel pens and colored pencils in this book. The pictures are on one side of the page and the paper is good quality. This one cost a little more than I like to spend on them but its worth every penny.

I like this book and the peaceful country scenes. Here are a couple of them that I have colored using gel pens...I like that each picture has its own page.

I loved coloring books as a child and low and behold I still love it just as much as an adult. I just completed my first page in this Country Scene book. Absolutely love this book. So many details and a variety of country life scenes to enjoy.

I love these adult Coloring books and this is one of the first ones I have tried and they are so relaxing and fun and they sure turn on the creative side me and it will surely do the same for you. It has a good variety of pictures to color and you can use colored pencils or sets of gel pens (my favorite so far), and let yourself go. The book's seller took no time in shipping the book and it arrived in good shape with no bent or creased pages. This was a good buy.

Nice coloring book with realistic scenery.

Very pleased. Pictures are one sided. Pages are perforated for easy year out

This book is full of country scenes to color. .com has plenty of variety to choose from in coloring books. I highly recommend you browse through all of them and find some you would enjoy coloring. It is a great way to relieve stress to color in coloring books.
