Texas: Portrait Of A State (Portrait Of A Place)

Synopsis

Texas is unique, not only because it is the only state to enter the Union by way of a treaty, but because a clause in that treaty gives Texas the right, in perpetuity, to divide into as many as five separate states. These ""Five States of Texas"" reflect the remarkable geographic variety of this vast landscape. From the plains and mountains, beaches and deserts, forests and rugged canyons, Laurence Parent captures the beauty of the Texas landscapes, places, and people that are as diverse as its many-faceted culture.

Customer Reviews

"Parent, a freelance photographer and writer specializing in landscape, travel, and nature subjects, presents a portrait of Texas through color photos of its landscapes, places, and people, including nature scenes, skylines of cities, Spanish missions, oil rigs, cowboys, and recreational areas."

— Eithne O'Leyne, ProtoView

Texas is unique, not only because it is the only state to enter the Union by way of a treaty, but because a clause in that treaty gives Texas the right, in perpetuity, to divide into as many as five separate states. These ""Five States of Texas"" reflect the remarkable geographic variety of this vast landscape. From the plains and mountains, beaches and deserts, forests and rugged canyons, Laurence Parent captures the beauty of the Texas landscapes, places, and people that are as diverse as its many-faceted culture.

great pictures of Texas!! perfect for a gift

Bought as a gift for someone visiting Texas for the first time. I looked over the book before wrapping it up, and now I want one! Beautiful pics & descriptions. The recipient of the gift loved it.

I was disappointed in that several photos did NOT identify where the picture was taken.

I used this as the sign in book at my wedding and it turned out BEAUTIFUL! It is the perfect size for a coffee table book and the photos inside are breathtaking.

This is a pictorial taste of Texas but a little more written narrative would have been welcome.

The photography is awesome and it has an excellent choice of subject matter. Adequate commentary. (This book was purchased as one of many for someone doing some background research on Texas)

Another part of a hostess basket. My friends were very pleased with it! Gave them beautiful pictures of Texas. They didn't think Texas could be so diverse!

Expected more
