In 1992, I spent an entire Christmas season in Santa Fe. That Christmas sojourn was so perfect that

I've always hesitated to try to repeat it. I would rather keep the magic intact in my memory than run the risk of being disappointed if a second time didn't stand up to the first. That is, until now. Susan's book has made me realize that I've missed some truly exciting treats. TOMIE dePAOLA

A wonderful keepsake of Santa Fe, Chimayo and the whole New Mexico experience. I purchased this book after my family visited some of these delightful historical places and I wish I had read this book first. So much interesting history and extra details to know that you appreciate only if you read before and then visit. This book makes an outstanding gift to anyone who wants to see what these charming southwest towns look like in the winter. The Christmas spirit is simple and delightful. I loved the photography of the churches fully decorated with Christmas spirit and to boot the book comes with great traditional recipes too. Beautiful visual of a sacred ancient place with wonderful stories of the history. Shipped very fast and in excellent condition. I bought this book as a gift for my Grandmother over Christmas. My grandma loves Santa Fe, and has visited many times throughout her life so I thought this book would be nice since she can no longer travel easily. She absolutely loved the book. I think it was her favorite gift this season, she couldn't put it down! The book is beautiful, and does an excellent job of highlighting Santa Fe's notorious landmarks as well as its hidden treasures. I've only visited once but this book gave me tons of new places to see on my next trip! Definitely recommend!

For those who have fallen in love with our Great Southwest, its culture, the food, and natural beauty, but haven't moved out here to live, will enjoy this beautiful book. To me Santa Fe captures all things my wife and I fell in love with 25 years ago when started vacationing in the Four Corners area. Our dream of one day living in or near Santa Fe came true a year ago when we moved out to Albuquerque. "Christmas in Santa Fe" is part of our Christmas package to friends and relatives so they too can enjoy what we do everyday. The photographs are great and capture the special season, one that still brings out the little boy in me. Susan Weber's descriptive narrative of customs, culture, and the celebration of Christmas in Santa Fe enable the literary traveler to explore without ever leaving the comfort of their easy chair. Take a look. You too will want to add this book to your library.

The best souvenir of Santa Fe is Susan Weber's book, Christmas in Santa Fe. Her second edition book, now includes some Christmas photos from the northern New Mexico pueblos. It is a go-to source for information on celebrating Christmas in Santa Fe and a marvelous remembrance of time that you spend in Santa Fe enjoying the beauty of the winter season.

Beautifully written and illustrated, this book elegantly showcases the magic of Christmas in Santa Fe. This was a gift for my wife, who introduced me to Santa Fe several years ago. Whether as a coffee table book or something that is brought out at Christmas, it will be a welcome addition to any home.

Great book. I'm planning a 20 day trip - this book makes me wish I were going to be there all month.

Great way to understand ALL the Christmas time offerings in Santa Fe. We were able to purchase tickets well in advance of our Christmas trip to Santa Fe!

If you love Santa Fe, this is a very pretty little keepsake book of the most festive season....Christmas. A lovely gift for anyone who loves New Mexico.
