Customer Reviews

I am voluntarily and honestly writing this review for the book I received through ARC. This is the Third book in this series and the story is getting better and better. Ellie and Aiden get together again as he invites her back to the yacht to another party/auction. This time her friend Caroline with her knowing she will be auctioned off. Ellie didn't get dressed up because she was there for Aiden. Lizbeth gave all the girls what they were to wear. She tells Ellie that Mr. Black wanted her in the auction and of course she knew that Aiden will win. Earlier that evening Elle ran into a man she met the last time on the yacht Blake. He gave her the creeps when they met the first time. Caroline goes up to be auctioned off this time she was ready and made great money. It was Ellie turn next and she got over a a hundred thousand dollars. She didn't want Aiden to pay for her when so when she is lead to a room she expected Aiden but when the man opened the door and she heard him speak she realizes it is Blake. Blake handcuff to the bed as she was trying to push him off do her. She couldn't believe that Aiden didn't bid on her and he allowed Blake to win. But the next thing she was fighting Blake off when Aiden crashed through door and punched Blake and threw him to the ground. Aiden couldn't believe Lizbeth let Ellie to be auctioned to anyone but him. Ellie is of course shaken but Aiden assured her that she was not supposed to be auctioned only to him. Things start to go south because Blake pulled out of Aiden business and took some more investors with him because he couldn't have Elle and Blake he was vindictive. Aiden finally tells Ellie that he loved her and she professed her love for him. But things start to spiral out and Aiden company is going down fast But you have to read the book to find out what happens.

I received a free copy of this book for an honest review. Here it is. Back to the Yacht is a continuation of Ellie & Aiden's story. First, to me this is a wonderful story, filled with interesting characters -lovers, friends, and unsavory characters. Ellie goes back to be the Yacht with Caroline so Caroline can enjoy the auction -- she pulled out the first time. However, she is also again on the auction block, thinking Aiden will bid on her. He is distracted & his friend wins Ellie. The friend is no friend and things get carried too far -- Ellie is fighting against a rapist, when Aiden comes to her rescue. Blake Garrison is a major investor in Aiden's company & Ellie's attacker. He makes rejection personal & is bent on destroying Aden's company. He pulls out & takes other investors. Ellie its Aiden at his apartment, drunk & gets him somewhat straightened out. He says he will contact the other investors with a plan to save the company. Ellie goes back to her apartment & finishes writing her first novel and starts to see how to week-long it under a pseudonym, because it is a racey novel filled with her experience with the auction, and all the sex. This is where Book 3 ends and we wait for Book 4 . First, I thought it was a 3 book series ,now we are up to a fourth book! I will keep reading

the series, because I want a conclusive HEA and no cliffhanger!! I am hooked because the story is great & I love Aiden and Ellie, but not happy about the rest. Hopefully soon we will see Blake get his Ellie get hers (novel published) and Aiden save Owl (his company). Oh, and the other minor characters, Caroline, Tom, Carrie to have their day in the sun so to speak.

This is the 3rd book I've read for this author,,,,, like the last one, I have an ARC for an honest review,,,,,This is the continue of Ellie and Aiden's story,,,,, It takes place back at the yacht for another auction, with the woman again being auctioned off again,, and Ellie was not going this time, although she was invited, along with Caroline, but she doesn't want anyone else, except her Aiden,,,,, and she isn't really sure where their relationship stands....., SO,,,,,, Caroline was begging her to go again, since Caroline left before being auctioned off last time, and seeing what a nice catch Ellie had in her "Mr. Black" last time,, she was hoping she could find her own "Mr Black" so to say,,,,,, but Ellie went with Caroline, because Aiden invited her and she THOUGHT she was just going to spend time with Aiden again,,,,,They were met by Lizbeth again and Ellie and Caroline were put in separate rooms this time, and of course Ellie just kept asking Lizbeth about Aiden with no one answer to confirm or deny ,,,,,,So, pick up your copy of this 3rd story,,,,, find out what's new about the auctioning, if Caroline and / or Ellie stay to be auctioned off, if go home,,,,, if Ellie gets to see or speak to Aiden,,,,, you will NOT be disappointed,,,,, I totally recommend this book and simply cannot wait for #4.....
