Gr 7 Upâ⠬⠕Sixteen-year-old Raina Resnick cannot catch a break. After two years as Queen Bee in her Manhattan private school, she is unceremoniously "counselled out" (read: expelled) and sent to live with her strict Aunt Mira. Her new life in a tight-knit Jewish community in Toronto is hardly the fresh start she was hoping for. Between a headmistress who is constantly scrutinizing her every assignment and an older sister (former BFF) who won't speak to her, Raina is desperate to find her niche. A chance meeting on the bus with young, single Jewish woman helps unveil a hidden talent: matchmaking! After her success matching Tamara and Jeremy, Raina sets up the anonymous MatchMaven account and is ready for business. Things get really complicated when her

sister Leah turns to MatchMaven for help finding The One after her broken engagementâ⠬⠕a breakup for which Raina is blamed. But the more she tries to help others find love, the less her friends and family love her. With sinking grades and constant fatigue, the teen struggles to keep up the maddening pace. Raina is well drawn, and supporting characters all add humor and poignancy to the story. Of particular note are the relationships the teen forms with the older characters, Bubby Bayla, Professor K, and Esther. These characters play an important role in light of Raina's absentee parents. This charming story of growing up and owning up, will ring true with readers, particularly those who share her cultural traditions.â⠬⠕Elaine Baran Black, Georgia Public Library Service

"Charming … Rosen gives us a coming-of-age tale with a twist featuring a fun heroine who puts 100 per cent toward creating a happy ending." Have you ever screwed up royally and been willing to do anything to make things right? Have you ever tried to repair the damage, only to create more? Have you ever wondered if you $\hat{A}f\hat{A}\phi\hat{A}$ â $\neg\hat{A}$ â, ϕ d make it as a matchmaker? Then this book is for you!Our main character $\hat{A}f\hat{A}\phi\hat{A}$ \hat{a} $\neg\hat{A}$ \hat{a},ϕ s voice sucked me in from the very beginning on this one. Raina fits the bill as my favorite type of character: she $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s snarky and a little messed up $\hat{A}f\hat{A}\phi\hat{A}$ â $\neg\hat{A}$ â and we get to find out why. After a childhood spent moving around with her parents, they finally let her settle into a school in Manhattan, where Raina got to really make friends for the first time. Unfortunately, Raina screwed up that opportunity, getting herself kicked out of school, so she $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s shipped off to Toronto for her last chance with an even stricter aunt. Now, she $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s been labeled a troublemaker by nearly everyone: her aunt, the school officials, her classmates $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} •and even her sister Leah. I loved reading this book for the insight into the tight-knit Jewish community. While the plot doesn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} , ϕ t really focus on the religious practice, I got to learn about Jewish culture, particularly their marriage practices. Raina $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s world revolves around her family $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â •her strict Aunt Mira, who $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s always getting onto Raina no matter what she does, her heart-broken sister Leah, and Mira $\tilde{A}f\tilde{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s mother-in-law, Bubby, the hilarious trouble-making older woman who throws wild parties and gorges on salty snacks. Ultimately, this is a story about community and family $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} •about how far you would go to correct your mistakes, how hard you would fight for your sister $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ s affections, and how hard it can be to change people $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s perspective of you. This is a book about romance, but it $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s not a romance. Raina $\hat{A}f\hat{A}\phi\hat{A}$ â $\neg\hat{A}$ â, ϕ s main focus is finding matches for her clients, who email her anonymously. At first, matchmaking is an accident, but over the course of the novel Raina really immerses herself in trying to make other people happy $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} •from Tamara, the woman she meets on the bus, to Professer Kellman, the widower she meets by accident, and everyone in between.Raina $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s matchmaking mishaps are absolutely hilarious. I $don\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ t want to spoil any of the fun, but let me just say that I was laughing out loud at various parts. Raina tries so hard to find happiness for others and often finds herself in ridiculous scenarios. I really appreciated that Raina herself isn $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ t interested in romance, but rather is working tirelessly to help others, almost without realizing how selfless she $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s being. This is a story of growing up, but Raina doesn $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ t even recognize how much growth she $\tilde{A}f\hat{A}\phi\tilde{A}$ â $\neg\tilde{A}$ â, ϕ s really doing until the end. Although the plot

sometimes felt forced $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} •in that the situations were so absurd they didn $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a},ϕ t seem fully realistic $\tilde{A}f\hat{A}\phi\tilde{A}$ \hat{a} $\neg\tilde{A}$ \hat{a} •I ultimately really enjoyed reading this book.

This is a sweet YA, I love a good match making book! My go-to book when I want to re-read something

Playing With Matches is a book written for teenagers, but all ages can enjoy this book. Suri Rosen is the author and creates memorable strong characters, each of whom are so real. The book is enchanting and brings out in you an array of emotions. I found myself laughing outloud and then crying and sometimes both at the same time. There are many life lessons that can be learned from Playing With Matches at all stages of life. I recommend reading Playing With Matches and I can only hope that Suri Rosen entertains us with further books.

Well plotted and well-delineated characters. Some aspects of the plot are predictable, but that's why one reads books like this. Other aspects are not and are surprising, which I liked. There is humor too.

Delightful and fun read... Central character is a 16-year-old girl, but the story speaks to any age!

I couldn't put this book down. I'm waiting for the sequel!

A wonderful story set against the backdrop of Jewish Toronto. A great read!

Very entertaining. A fun read with delightful characters.
