Wonderful Christian devotional! I bought one each for my husband and daughter, both who are in treatment for cancer. They agree that this is very helpful for their spiritual journey as well as bringing comfort and hope with their physical struggles.

Bought for cancer support group I'm starting. Thought it will be helpful for newly diagnosed people. Wish I would have seen 2 yrs ago when hubby was going thru treatment & surgery. Every thing in this book is what u go thru.

Inspiration at its best. Bought this for a friend who has terminal cancer.

I personally benefitted from this book when cancer entered my life. I have given this book to numerous friends, and they all say it did give them hope. Lynn writes from experience, and she does so with pragmatism, humor, and compassion all grounded in her strong faith.

Book to be given to people with cancer. Book is soft to touch and a good size to take to the park or to the clinic.

My husband is undergoing cancer treatment. This book was given to us from a cancer survivor. The author knows exactly what we are going through. I am so happy that I received this book. I have purchased a copy for a family member who is going through cancer treatment also.

I bought this for my brother that has been diagnosed with Lung Cancer. He is receiving daily Radiation treatments and weekly Chemo treatments. He said the book has really been an inspiration to him. This book was suggested from a friend that has been diagnosed with Stomach Cancer and he told me how rewarding and such a great inspiration to him also; He also is receiving Chemo treatments. Thanks

This is a wonderful book! Reading a chapter each day during my cancer journey helped sustain and encourage me. I keep 4 or 5 on hand always to give to people I know who receive a cancer diagnosis. Lynn Eib has been there and encourages the reader through anecdotes and laughter. Her faith in God permeates the pages and gives comfort and peace to the one struggling with cancer and well as a caregiver. I couldn't recommend any book more strongly!
